Life in the Community

Spring has sprung: As I tour Stevenswood, I am filled with pride because the majority of home owners keep their homes in great shape and grounds well manicured.

Trash Cans: The Baltimore County Code requires that all trash or garbage cans have tightly fitted lids on them. Only grass cuttings and leaves should be placed in bags.

Pets on a Leash: There is

an increased presence of pet owners walking their dogs on our sidewalks. It appears that some people do not have a visible means of scooping poop. This, too, is a Code violation.

SIA Premium Website:

www.stevenswood.org is going to be down graded from a premium website to a general website on June 1. This action is being taken because only

30% of our dues paying members accepted a quick invitation, and less than 5% sign in monthly. The next newsletter will contain the link to Stevenswood's free webpage.

2012 Membership Drive:

I wish to thank the forty-two households who already joined SIA as of April 19. It is not too late to join. Dues are \$25.00.

2012 Meeting Dates:

January 11

April 11

June 11

October 10

Community Clean-up and More:

The next community clean-up is Saturday, May 5 from 7:00 a.m. to 12:00 noon. One dumpster will be located at the corner of Lauri Road & Stevenswood Road. The other dumpster will be located in front of 3406 A Courtleigh Drive. This service is limited to dues paying members only. If you plan to participate and are unsure of what is acceptable, please visit SIA's webpage.

Please Save the Date:
Stevenswood is hosting its 3rd National Night Out

and Community Cook Out on Tuesday, August 7. A new feature this year is family movie night as well. I am excited to inform you of the new venue which is Stevenswood Park. More details will be contained in the Summer Edition of The Stevenswood Connection newsletter.
