## Life in the Community

**Fall Is Upon Us:** This is the time of year when homeowners are busy getting their lawns and flower beds ready for the winter. Also, the task of putting away our patio furniture is at hand.

**Trash Cans:** The Baltimore County Code requires that all trash or garbage cans have tightly fitted lids on them. Only grass cuttings and leaves should be placed in bags.

### **Pets Off Leash and Running Wild::**

It has come to my attention that dogs are running wild in the community, pooping, and urinating on lawns. This is a Code Violation, and pet owners can be fined. Please keep your pets on your property, obey the law, and respect the property of others.

**October 10 General SIA Meeting:** All meeting

begin at 7:30 p.m. and end at 8:30 Our speaker is a member of the newly created Baltimore County Neighborhoods Response Team. Please join us and learn first hand how this new county service benefits us. We meet in the Pikes Conference Room at Northwest Hospital. Come to parking lot A off Carlson Lane and press the buzzer at the gate. Park and enter through the brown doors.
